USE OF THIS MANUAL

The Adult Sentencing Guidelines Manual provides comprehensive information for criminal justice practitioners, public officials and citizens on adult felony sentencing in the state of Washington. This manual offers specific guidance on how to determine the appropriate standard sentence range for an offense by identifying the seriousness level of the offense and by “scoring” the offender’s criminal history. This manual also addresses: reviews, modifications and discharges of sentences, as well as vacating conviction records. As an aid to judges, prosecutors, defense attorneys and other criminal justice professionals, this manual also includes forms for use in “scoring” an offender’s criminal history.

Adult felony sentencing in Washington is governed by the Sentencing Reform Act (SRA) of 1981, [RCW Chapter 9.94A](#), as amended. This manual includes a digest of recent appellate and Supreme Court decisions interpreting and affecting the meaning of the SRA excerpted from the *Criminal Caselaw Notebook* (© Judge Ronald Kessler, King County Superior Court, LSP Publishers, P.O. Box 15538, Seattle, WA 98115-0538, lsppubl@comcast.net. Used with permission).

Persons interested in a comprehensive legal analysis of the SRA are advised to read *Sentencing in Washington*, by David Boerner (Butterworth Legal Publishers) and the 2011-2012 supplement to *Washington Practice Volume 13A: Criminal Law*, by Seth Aaron Fine (West Publishing Co.).

This edition of the manual has been updated to reflect amendments to the SRA enacted during the 2012 Legislative session. Earlier editions of this manual should be retained for reference on offenses committed prior to the effective dates of the recently enacted legislation.

Copies of the FY1987 through FY2012 Adult Sentencing Guidelines Manuals and supplements are available electronically on the Council’s website at:

<http://www.cfc.wa.gov>

Bound copies of the 2012 manual are available through the web site as well.

INTRODUCTION

Adult offenders who committed felonies on or after July 1, 1984, are subject to the provisions of the Sentencing Reform Act of 1981, as amended (SRA). The goal of Washington's sentencing system, which is based on a determinate sentencing model and eliminates parole and probation, is to ensure that offenders who commit similar crimes and have similar criminal histories receive equivalent sentences. The enabling legislation, RCW Section 9.94A *et seq.*, contains guidelines and procedures used by courts to impose sentences that apply equally to offenders in all parts of the state, without discrimination as to any element that does not relate to the crime or to a defendant's previous criminal record. The SRA guides judicial discretion by providing presumptive sentencing ranges for the courts to follow. The ranges are structured so that offenses involving greater harm to a victim and to society result in greater punishment. Sentences that depart from the standard presumptive ranges must be based upon substantial and compelling reasons and may be appealed by either the prosecutor or the defendant.

The Sentencing Guidelines Commission (Commission) developed the initial guidelines and continues to advise the Legislature on necessary adjustments. The Commission is composed of twenty voting members; sixteen appointed by the Governor. Those sixteen appointed members include: four Superior Court judges; two defense attorneys; two elected county prosecutors; four citizens (one of whom is a victim of crime or a crime victims' advocate); one juvenile court administrator; one elected city official; one elected county official; and the chief of a local law enforcement agency. Four voting members serve in an *ex-officio* capacity to their state positions: the Secretary of the Department of Corrections; the Director of the Office of Financial Management; the Assistant Secretary of the Department of Social and Health Services' Juvenile Rehabilitation Administration; and the Chair of the Indeterminate Sentence Review Board. The Speaker of the House of Representatives and the President of the Senate each appoint two nonvoting members from their respective chamber, one from each of the two largest caucuses in each body.

The SRA mandated that the Sentencing Guidelines Commission develop and maintain computerized databases of adult felony and juvenile dispositions, produce annual updates to adult and juvenile sentencing manuals, and conduct research related to adult and juvenile sentencing. In addition, the Commission has traditionally assessed the prison and jail impacts of proposed sentencing policy changes as part of the state's "fiscal note" process.

The state legislature, in ESSB 5891 passed during the 2011 legislative session, transferred responsibility for the sentencing databases, sentencing manuals, research on sentencing and analysis of policy impacts from the Commission to the Caseload Forecast Council (Council), effective August 24, 2011.

In order to carry out its mandate, the Council will continue to rely upon the cooperation and assistance of the superior court clerks of all thirty-nine counties in the state. The clerks transmit copies of Judgment and Sentence forms issued in all adult felony convictions to the Caseload Forecast Council. The Council staff extracts data from the forms relating to the crime, the offender, the sentencing judge, the sentence, and alternatives to incarceration, where applicable, and enters the information into a computerized database. Using this database the Council produces and distributes descriptive reports on actual sentences and analyzes the effects of changes in the law on prison and jail populations.

The Council database is also the source of information used in preparation of annual statistical summaries of sentencing practices and other reports and studies related to felony sentencing in the state. Please direct questions about the sentencing manuals, databases and sentencing research to the Council office.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

Exceptional Sentences

State v. Gordon, 172 Wn.2d 671 (2011)

Appellant may not challenge failure of the trial court to further define terms contained with an aggravating circumstance instruction for the first time on appeal as it is not of constitutional magnitude; reverses, in part, *State v. Gordon*, 153 Wn.App. 516 (2009); 9-0.

State v. Gassman, 160 Wn.App. 600, 613-14 (2011)

Defendant is convicted of robbery 1°, two counts of assault 1°, two counts of drive-by shooting for one incident, defendant has prior attempted robbery conviction and prior juvenile "residential robbery," trial court finds 46 year presumptive sentence is clearly excessive and that defendant was induced by others to commit the crimes and victim initiated the contact, imposes 129 month mitigated exceptional sentence; held: sentencing judge's consideration of defendant's age (21) and criminal history, substantial evidence supports exceptional sentence; 2-1, III.

State v. Statler, 160 Wn.App. 622, 639-40 (2011)

Defendant's young age (21), lack of serious injuries to victims, lengthy presumptive sentence compared to co-defendants who pleaded guilty justify mitigated exceptional sentence; 2-1, III.

State v. Webb, 162 Wn.App. 195, 205-08 (2011)

Defendant robs store with his 9-year old daughter present, video of robbery shows daughter "shocked," victim says she was "absolutely stunned," friend of defendant says daughter was "stunned" 1½ hours after robbery, no other evidence presented, jury finds aggravating factor of **destructive and foreseeable impact on persons other than the victim**, RCW 9.94A.535(3)(r); held: absent a lasting destructive impact, evidence is insufficient to establish the aggravating factor, *c.f.*: *State v. Cuevas-Diaz*, 61 Wn.App. 902, 904 (1991), *State v. Jackson*, 150 Wn.2d 251, 275-76 (2003); 2-1, III.

State v. Garcia, 162 Wn.App. 678 (2011)

Homeless sex offender, required to report weekly, calls sheriff to report that his ride failed to show and that he would surrender to DOC at county jail for a warrant, upon arrival at jail after sheriff's office closed, jail turns him away due to time of day, is charged with failure to register as a sex offender, trial court imposes mitigated sentence based upon transportation difficulties, attempts to comply, de minimis nature of violation, state appeals; held: sentencing court may not (and did not) base the exceptional sentence on mitigating factors necessarily considered by legislature in setting the standard range; **cooperation with state authorities** is a valid mitigating factor, *State v. Nelson*, 108 Wn.2d 491, 500-01 (1987); **de minimis** nature of violation is not a proper mitigating factor, *State v. Fowler*, 108 Wn.2d 400, 405 (2002), nor are "personal characteristics" such as drug use and family support; defendant's transportation difficulties and attempt to comply are mitigating factors as neither relate to defendant's personal conditions, rather are specifically focused on the elements of the crime; crime of failure to register is intended to address location of sex offenders and availability of such information to local authorities, defendant's behavior met both of these factors, thus mitigated sentence affirmed; III.

State v. Chanthabouly, 164 Wn.App. 104, 142-45 (2011)

Shooting and killing a student in front of other high school students is sufficient to support a finding of **destructive and foreseeable impact on persons other than the victim**, RCW 9.94A.535(3)(r) (2011), distinguishing *State v. Way*, 88 Wn.App. 830 (1997); II.

State v. Griffin, 173 Wn.2d 467 (2012)

At a fact finding hearing to determine the existence of an aggravating factor, evidence rules apply, ER 1101(c)(3) only applies to the sentencing itself; 9-0.

State v. Rowland, 174 Wn.2d 150 (2012)

Before *Blakely v. Washington*, 542 U.S. 296, 159 L.Ed.2d 403 (2004), trial judge finds an aggravating factor and imposes an exceptional sentence, on collateral review appellate court finds an error in offender score, *Pers. Restraint of Rowland*, 149 Wn.App. 496, 512 (2009), at resentencing court concludes *Blakely* is inapplicable, *State v. Evans*, 154 Wn.2d 438, 443-48 (2005), changes offender score, re-imposes exceptional sentence; held: because no new exceptional sentence was imposed, judge was authorized to reimpose sentence without a jury finding; 9-0.

State v. Siers, 174 Wn.2d 269 (2012)

An aggravating factor need not be charged in the information, overruling *State v. Powell*, 167 Wn.2d 672 (2009), reversing *State v. Siers*, 158 Wn.App. 656 (2010); 9-0.

State v. Guzman Nuñez, 174 Wn.2d 707 (2012)

Jury must be unanimous to find that state did not prove aggravating factors, overruling *State v. Bashaw*, 169 Wn.2d 133 (2010), *State v. Goldberg*, 149 Wn.2d 888, 894 (2003); 9-0.

State v. Cham, 165 Wn.App. 438, 449-50 (2011)

Rapid recidivism, RCW 9.94A.535(3)(t) (2011), does not require a finding of a pattern of prior similar offenses showing heightened culpability and a greater disregard and disdain for the law, *State v. Williams*, 159 Wn.App. 298, 314 (2011), reoffending an hour after release from jail is sufficient; 2-1, II.

State v. Zigan, 166 Wn.App. 597 (2012)

Evidence in vehicular homicide case that defendant smiled, laughed and joked about hitting a motorcyclist with a car establishes **egregious lack of remorse**, *State v. Erickson*, 108 Wn.App. 732, 739-40 (2001), *State v. Wood*, 57 Wn.App. 792, 795 (1990); vehicular homicide two months after release on an unrelated crime is sufficient to establish **rapid recidivism**, *State v. Saltz*, 137 Wn.App. 576 (2007); III.

Procedure**State v. Franklin**, 172 Wn.2d 831 (2011)

RCW 9.94A.701 (2009) which retroactively directs Department of Corrections to reduce community custody length does not entitle defendant to a new sentencing hearing, *c.f.*: *Pers. Restraint of Brooks*, 166 Wn.2d 664 (2009), *State v. Winborne*, 167 Wn.App. 320 (2012); 9-0.

State v. Hunley, 161 Wn.App. 919, 927-32, *rev. granted*, 172 Wn.2d 1014 (2011)

State offers list of prior convictions, defense neither acknowledges nor objects, court determines offender score based upon state's list; held: due process clause places burden on state to prove prior convictions by a preponderance, state's "bare assertions, unsupported by evidence" are insufficient, *State v. Ford*, 137 Wn.2d 472, 479-82 (1999); 2008 amendments to RCW 9.94A.500 and .530 which state that a criminal history summary is *prima facie* evidence of prior convictions and defendant's failure to object constitutes acknowledgement is unconstitutional as applied where criminal history is an unsworn list of crimes; remedy where there is no objection is remand allowing state to present evidence of priors, *State v. Mendoza*, 165 Wn.2d 913, 930 (2009), *State v. Hayes*, 165 Wn.App. 507, 522-24 (2011); 2-1, II.

State v. Walters, 162 Wn.App. 74, 85-86 (2011)

An out-of-state conviction that has comparable elements to a Washington crime counts in offender score even if the other state classifies it as a misdemeanor, RCW 9.94A.525(3); 2-1, II.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. State v. King, 162 Wn.App. 234 (2011)

Adding a point where a defendant is on community custody when new felony is committed, RCW 9.94A.525(19) (2011), only applies to Washington community custody, RCW 9.94B.020(2) (2008), and not to out-of-state post-custodial supervision; where defendant pleads guilty to two counts with identical standard ranges which must run concurrently, is sentenced within standard range, appeals correctly claiming that offender score was in error which only impacts standard range on one count, thus standard range remains the same even though it is less on one count, he may withdraw plea to both counts, *State v. Mendoza*, 157 Wn.2d 582, 589-91 (2006), *State v. Bisson*, 156 Wn.2d 507, 518-20 (2006), *State v. Turley*, 149 Wn.2d 395, 400-01 (2003), harmless error analysis is “eschewed,” III.

State v. Calhoun, 163 Wn.App. 153 (2011)

Prior to resentencing after remand, legislature amends RCW 9.94A.525(21) and .530 (2008) to allow the state to introduce additional evidence regarding criminal history not previously presented, state offers additional prior convictions and additional evidence to support comparability of out-of-state convictions; held: savings statute, RCW 10.01.040, requires that defendants be prosecuted under the law in effect at the crime, *State v. Kane*, 101 Wn.App. 607, 610 (2000), which applies only to substantive law changes, *State v. Pillatos*, 159 Wn.2d 459, 472 (2007); legislature had authority to amend SRA to require trial courts to impose sentences based on defendant’s actual history even if not fully known at original sentencing; II.

State v. Bribiesca Guerrero, 163 Wn.App. 773 (2011)

Trial court is not obliged to order a chemical dependency screening for a defendant convicted of a drug offense who is eligible for a drug offender sentencing alternative, RCW 9.94A.500(1), 9.94A.660; III.

State v. Mahone, 164 Wn.App. 146 (2011)

Defendant is sentenced to community custody on two cases, violates terms, is sentenced to consecutive terms; held: community custody on multiple sentences must run consecutively, RCW 9.94A.589(2)(a), violations are limited to sixty days for each violation, RCW 9.94A.200 (1994), 9.94B.040(1), -(3)(c) (2002), thus court may only impose terms for violation on the current community custody, *see also: State v. Hughes*, 70 Wn.App. 142 (1993); II.

State v. Irish, 173 Wn.2d 787 (2012)

At sentencing, defendant claims that state did not prove validity of a guilty plea of a prior conviction, trial court disregards defendant’s claim, Court of Appeals reverses in unpublished opinion; held: state need not prove constitutional validity of a prior conviction used to calculate a defendant’s offender score on a current conviction, *State v. Ammons*, 105 Wn.2d 175, 187-88 (1986); to challenge validity of prior, defendant must file PRP; *per curiam*.

Pers. Restraint of Carrier, 173 Wn.2d 791 (2012)

Defendant may challenge the inclusion of a prior conviction considered by the sentencing court beyond the one year collateral attack period, RCW 10.73.090(1), as the invalidity of a judgment and sentence “on its face” is not limited to the four corners of the judgment and sentence, *Pers. Restraint of Coats*, 173 Wn.2d 123, 138 (2011); in determining whether a judgment and sentence is valid on its face, the court may consider documents that bear on the trial court’s authority to impose a valid judgment and sentence, including, but not limited to, charging documents, verdicts, plea statements and, here, an order of dismissal following completion of probation, former RCW 9.95.240; a vacated conviction cannot be used as criminal history, distinguishing *State v. Braithwaite*, 92 Wn.2d 624 (1979), disavowing *State v. Moore*, 75 Wn.App. 166 (1994), *State v. Wade*, 44 Wn.App. 154 (1986); 6-3.

State v. Boyd, 174 Wn.2d 470 (2012)

Where confinement and community custody exceed maximum sentence, court must reduce the term of community custody so that the total does not exceed the maximum, RCW 9.94A.701(9) (2010), distinguishing *Pers. Restraint of Brooks*, 166 Wn.2d 664 (2009), *State v. Franklin*, 172 Wn.2d 831, 839 (2011); *per curiam*.

State v. Crawford, 164 Wn.App. 617 (2011)

Sentencing court cannot add a point to offender score for committing a crime while “under community custody,” RCW 9.94A.525(19) (2008) where the crime is committed while defendant is in jail as community custody is tolled during confinement, RCW 9.94A.625(3) (2008); I.

State v. Griffin, 173 Wn.2d 467 (2012)

At a fact finding hearing to determine the existence of an aggravating factor, evidence rules apply, ER 1101(c)(3) only applies to the sentencing itself; 9-0.

State v. Cooper, 164 Wn.App. 407 (2011)

A guilty plea counts as a conviction even if the out-of-state jurisdiction (Texas) defers adjudication, as a guilty plea is defined as a conviction, RCW 9.94A.030(9) (2011); II.

State v. Duncalf, 164 Wn.App. 900 (2011)

For the same incident defendant is charged with assault 1° (great bodily harm) and alternatively assault 2° (substantial bodily harm) and, with respect to the latter, an aggravating factor that the injury substantially exceeded the level of bodily harm necessary to satisfy substantial bodily harm, defense does not ask for a definition of “substantially exceed,” jury acquits of assault 1°, convicts of assault 2° and finds the aggravator; held: while the “substantially exceeds” aggravator cannot apply to assault 1°, *State v. Stubbs*, 170 Wn.2d 117 (2010), these verdicts can be reconciled because the *mens rea* elements differ (assault 1°: intent to inflict great bodily harm; assault 2°: the assault itself must be intended but not the resulting bodily harm); failure to define “substantially exceed” is “merely definitional,” *State v. Gordon*, 172 Wn.2d 671, 677-80 (2011) and not an element and thus cannot be challenged for the first time on appeal; I.

State v. Reyes-Brooks, 165 Wn.App. 193, 202-06 (2012)

Where appellate court reverses for failure of trial court to properly instruct as to unanimity regarding a firearm enhancement, *State v. Bashaw*, 169 Wn.2d 133, 147 (2010), , *overruled*, *State v. Guzman Nuñez*, 174 Wn.2d 707 (2012), remedy is to remand to allow empanelment of a jury “to consider the aggravating factor with proper instructions,” at 202 [Division I appears to equate an enhancement with an aggravating factor]; 2-1.

State v. Breaux, 167 Wn.App. 166 (2012)

Where defendant is convicted of two or more serious violent offenses, RCW 9.94A.030(44) (2012), with the same seriousness level but different standard ranges, the offender score for the offense carrying the lesser range is calculated at zero, as RCW 9.94A.589(1)(b) (2002) is ambiguous thus rule of lenity necessitates an interpretation in favor of defendant; I.

State v. Winborne, 167 Wn.App. 320 (2012)

To ensure that a sentence of confinement plus community custody does not exceed the maximum sentence, sentencing court must impose the term of confinement, the term of community custody, then reduce the term of community custody if necessary, RCW 9.94A.701(9) (2010), distinguishing *Pers. Restraint of Brooks*, 166 Wn.2d 664, 675 (2009), *State v. Franklin*, 172 Wn.2d 831 (2011), *State v. Winkle*, 158 Wn.App. 323 (2011); III.

State v. Martinez Morales, 168 Wn.App. 489 (2012)

In determining offender score for felony DUI, only serious traffic offenses count, including for purposes of washout; here, nine years passed between two serious traffic offenses, thus prior washes in spite of a non-traffic criminal conviction; I.

Same Criminal Conduct**State v. Mutch**, 171 Wn.2d 646, 653-56 (2011)

Defendant rapes victim five times over the course of a night and next morning, sleeps in between, gaps in between each rape support conclusion that defendant objectively formed new criminal intent, thus not same criminal conduct, *State v. Grantham*, 84 Wn.App. 854 (1997), distinguishing *State v. Tili*, 139 Wn.2d 107, 119-25 (1999); trial court is obliged to analyze whether crimes are same criminal conduct where raised, failure to do so is error, but where record is sufficient, appellate court may sustain trial court's decision; 9-0.

SECTION 3

SENTENCING GUIDELINES

This section explains the rules for applying the sentencing guidelines to **felony crimes committed after June 30, 1984**, including changes enacted by the 2012 regular session of the Legislature.

Felonies defined in Title 9A and Title 9 of the Revised Code of Washington (RCW) fall into one of three classes: Class A, Class B or Class C. The class of these felonies is either defined explicitly as part of the definition of the offense, or implicitly, based on the statutory maximum period of incarceration. A felony washout period (RCW 9.94A.525(2)), vacation of conviction record (RCW 9.94A.640), status as a violent offense (RCW 9.94A.030(54)) and statutory maximum period of incarceration are functions of offense class.

Felonies Defined in Title 9A RCW

Felonies defined by Title 9A RCW have an A, B or C class designation explicitly stated. These felonies carry the following maximum penalties (RCW 9A.20.021):

Class A	Life in prison, \$50,000 fine
Class B	Ten years in prison, \$20,000 fine
Class C	Five years in prison, \$10,000 fine

Felonies Defined Outside Title 9A

Some felonies are defined outside Title 9A RCW without an explicit felony class. The 1996 Legislature¹ enacted RCW 9.94A.035, establishing the classes of such offenses for SRA purposes. The class is based on the maximum period of incarceration provided for the first conviction of violating the statute creating the offense:

Class A	20 years or more
Class B	Eight or more, less than 20 years
Class C	Less than eight years

Therefore, statutes increasing the maximum sentence for subsequent convictions do not affect the classification of the offense for SRA purposes, even though they increase the maximum sentence that may be imposed.

Felonies for which no maximum punishment is specifically prescribed are punished by confinement for not more than ten years and a fine not to exceed \$20,000 or both, and are classified as Class B felonies (See RCW 9.92.010, as amended in 1996).

DETERMINING THE OFFENSE SERIOUSNESS LEVEL

The offense of *conviction* determines the offense seriousness level.

General Felony Crimes

The seriousness level is measured on the vertical axis of the sentencing guidelines grid (Section 4, page 41). Offenses are divided into 16 seriousness levels ranging from low (Level I) to high (Level XVI). RCW 9.94A.515 lists the crimes within each seriousness level (Section 4, page 43).

¹ Historically, RCW 9A.20.040 was used to determine the class of these “unclassified” offenses for SRA sentencing purposes, based on the same relationship between the offense and the maximum sentence as shown. A 1995 decision of the Court of Appeals, Division II (*State v. Kelley*, 77 Wn. App. 66) held that RCW 9A.20.040 should not be used to determine the class of crimes defined outside Title 9A, or where the statutory maximum has been doubled as a result of sentencing enhancements. The 1996 legislation was intended to be consistent with the *Kelley* decision.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

This edition of the Manual includes the grids applicable to offenses committed after July 24, 1999, as well as the 2012 changes to the list of offenses ranked on the adult felony sentencing grid. Previous versions of the grid can be found in Section 4.

On the grid, numbers in the first horizontal row of each seriousness category represent sentencing midpoints in months (m). Numbers in the second and third rows represent standard sentencing ranges in months, or in days if so designated. 12+ equals one year and a day.

Drug Crimes

Drug offenses committed on or after July 1, 2003, are divided into three seriousness levels and sentenced according to the drug grid (Section 4, page 51). RCW 9.94A.518 lists the crimes within each seriousness level (Section 4, page 52).

Unranked Felony Crimes

Some felonies are not included in the Seriousness Level table and are referred to as “unranked.” Sentences for unranked felonies are entered without reference to a standard sentence range and do not require sentence calculations. The sentencing options for unranked felonies are described in Section 3, page 24.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

DETERMINING THE OFFENDER SCORE

The offender score, one factor affecting a felony sentence, is measured on the horizontal axis of the sentencing guidelines grid. An offender may receive from 0 to 9+ points on that axis. In general, the number of points an offender receives depends on five factors: (1) the number of prior criminal convictions or juvenile dispositions; (2) the relationship between any prior offense(s) and the current offense of conviction; (3) the presence of other current convictions; (4) the offender's community custody status at the time the crime was committed; and (5) the length of the offender's crime-free behavior between offenses.

CRIMINAL HISTORY COLLECTION

Pursuant to RCW 9.94A.030(11), criminal history includes the defendant's prior adult convictions and juvenile court dispositions in any state or in federal court. Although an offender's criminal history consists almost exclusively of *felony* convictions, in some instances, it also includes misdemeanors. The effect of criminal history also relates to the felony class of the crime (Class A, Class B or Class C), and the type of offense (i.e. serious violent, violent, nonviolent, sex, etc.). Lists of such felony offenses can be found in Section 5.

Adult Criminal History

The Criminal Justice Information Act (Chapter 10.98 RCW) established the Washington State Patrol Identification and Criminal History Section (the Section) as the primary source of information on state felony conviction histories. The Act directs judges to ensure that felony defendants are fingerprinted and that arrest and fingerprint forms are transmitted to the Washington State Patrol (RCW 10.98.050(2)). After filing charges, prosecutors contact the Section for an offender's Washington criminal history. Prosecutors also obtain out-of-state or federal criminal history information from the Federal Bureau of Investigation or other appropriate sources.

A conviction is defined as a verdict of guilty, a finding of guilty or an acceptance of a plea of guilty. RCW 9.94A.525(1) defines a prior conviction as one existing before the date of the sentencing for the offense for which the offender score is being computed. Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed are deemed "other current offenses" within the meaning of RCW 9.94A.589.

Prior adult convictions should be counted as criminal history unless:

- "Wash out" provisions apply; or
- A Court has previously determined that they constituted "same criminal conduct" as defined by RCW 9.94A.589; or
- They were not previously deemed "same criminal conduct" but their sentences were served concurrently and a Court now determines that they were committed at the same time, in the same place, and involved the same victim; or
- The sentences were served concurrently and they were committed before July 1, 1986.

RCW 9.94A.030(11) provides that, when the information is available, criminal history should include the length and terms of any probation and/or incarceration. This information is often collected as part of the Pre-sentence Investigation Report.

Juvenile Criminal History

All felony dispositions in juvenile court must be counted as criminal history for purposes of adult sentencing, except under the general "wash-out" provisions that apply to adult offenses. Juvenile offenses sentenced on the same day must be counted separately unless they constitute the "same criminal conduct" as defined in RCW 9.94A.589(1)(a) or unless the date of the offenses were prior to July 1, 1986.

Although juvenile records generally are sealed, RCW 13.50.050(10) provides that after a charge has been filed, juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to the prosecution and defense counsel, subject to the rules of discovery. Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order of a juvenile record. (RCW 13.50.050(16)).

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

"Wash Out" of Certain Prior Felonies

The rules governing which prior convictions are included in the offender score can be found in RCW 9.94A.525 and are summarized as follows:

- Prior Class A and felony sex convictions are always included in the offender score.
- Prior Class B (juvenile or adult) felony convictions, other than sex offenses, are *not* included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or since the entry of judgment and sentence, the offender had spent ten consecutive years in the community without having been convicted of any crime.
- Prior Class C (juvenile or adult) felony convictions, other than sex offenses, are *not* included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or since the entry of judgment and sentence, the offender had spent five consecutive years in the community without having been convicted of any crime.
- Prior (juvenile or adult) serious traffic convictions are *not* included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or since the entry of judgment and sentence, the offender had spent five years in the community without having been convicted of any crime.
- Prior convictions for repetitive domestic violence offense, as defined in RCW 9.94A.030(41), are *not* included in the offender score if the offender has spent ten consecutive years in the community without committing any crime resulting in a conviction since the last date of release.

The Sentencing Reform Act permits vacating records of conviction under certain conditions and provides that vacated convictions "shall not be included in the offender's criminal history for purposes of determining a sentence in any subsequent conviction." RCW 9.94A.640. Vacation of the conviction record does not affect or prevent the use of an offender's prior conviction in a later criminal prosecution.

The eligibility rules for vacation of conviction record are similar to the "wash-out" rules. Because the "wash-out" rules are automatic and do not require court action, an offense will "wash out" before formal record vacation occurs. (The main distinction between vacation of record of conviction and "wash-out" is that, after vacation, an offender may indicate on employment forms that he or she was not convicted of that crime.)

Federal, Out-of-state or Foreign Convictions

In order for a prior federal, out-of-state or foreign conviction to be included in an offender's history, and thereby affect the offender score, the elements of the offense in other jurisdictions must be compared with Washington State laws. (RCW 9.94A.525(3)). In instances where the foreign conviction is not clearly comparable to an offense under Washington State law, or where the offense is usually considered a felony subject to exclusive federal jurisdiction, the offense is scored as a Class C felony equivalent.

SCORING CRIMINAL HISTORY

Once relevant prior convictions are identified, the criminal history portion of the offender score may be calculated. The rules for scoring prior convictions are contained in RCW 9.94A.525. It should be noted that the scoring rules for some offenses are calculated differently, depending upon the category of the offense. Offense scoring forms can be found in Section 7 of this Manual and specify the correct number of points for prior convictions depending on the current offense. The forms are intended to provide assistance in most cases but do not cover all permutations of the scoring rules or are provided for all offenses. A thorough understanding of the criminal history rules is important in order to use these forms correctly and to perform calculations not covered by the forms.

General consideration should also be given to often-applicable exceptions to general scoring rules. For instance, misdemeanors generally are not included in offender score calculations. An exception exists where the current conviction

is for a felony traffic offense. In such cases, serious traffic offenses are included in the offender score.² Additionally, with present convictions of anticipatory offenses (criminal attempt, solicitation or conspiracy) prior convictions of felony anticipatory offenses count the same and are scored as if they were convictions for completed offenses.³ Exceptions to the general scoring rules also exist for Burglary 1⁴, Burglary 2⁵ and Residential Burglary,⁵ for Manufacturing Methamphetamine and other drug offenses,⁶ for Escape offenses,⁷ for Failure to Register as a Sex Offender,⁸ for crimes involving the taking, theft or possession of a stolen motor vehicle,⁹ or for felony domestic violence where domestic violence was plead and proven.¹⁰

Prior convictions for felony anticipatory offenses (attempts, solicitations and conspiracies) are scored as if they were convictions for completed offenses. RCW 9.94A.525(4).

Finally, an exception should also be noted for convictions with a finding of sexual motivation. A finding of sexual motivation changes the underlying offense to a sex offense as defined in RCW 9.94A.030(46), changing the scoring rules and impacting the sentence options. This scoring rule only applies to crimes committed on or after July 1, 1990 (See RCW 9.94A.525 (17)).

SCORING MULTIPLE CURRENT CONVICTIONS

Multiple convictions may also affect the offender score. For multiple current offenses, separate sentence calculations are necessary for *each* offense because the law requires that each receive a separate sentence unless the offenses are ruled the same criminal conduct (See RCW 9.94A.589).

Multiple Offense Scoring Steps:

- (A) If the current offenses do *not* include two or more serious violent offenses arising from separate and distinct criminal conduct, apply RCW 9.94A.589(1)(a):
- Calculate the score for *each* offense.
 - For each offense, score the prior adult and juvenile convictions.
 - For each offense, score the other current offenses on the scoring form line entitled "Other Current Offenses."
 - The Court may find that some or all of the current offenses encompass the same criminal conduct and are to be counted as one crime.
 - In cases of Vehicular Homicide or Vehicular Assault with multiple victims, offenses against each victim may be charged as separate offenses, even if the victims occupied the same vehicle. The resulting multiple convictions need not be scored as constituting the same criminal conduct.
 - Convictions entered or sentenced on the same date as the conviction for which the offender score is being computed are scored as "Other Current Offenses."

Example: Assume that an offender is convicted of one count of Theft in the First Degree and one count of Forgery, with both offenses arising from separate and distinct criminal conduct, and that the offender's criminal history consisted of one conviction for Burglary in the Second Degree. In this case, the rules in RCW 9.94A.589(1)(a) apply, and the theft and forgery must be separately scored. The prior burglary and the current forgery are included in the offender score for the theft, resulting in an offender score of two and a sentence range of 3 to 9 months. The prior burglary and the current theft are included in the offender score for the forgery, resulting in an offender score of two and a sentence range of 2 to 5 months. The sentence for each offense will run concurrently.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

Example: Assume that an offender is convicted of one count of Theft in the Second Degree and one count of Possession of Stolen Property in the Second Degree in a circumstance where both counts encompassed the same criminal conduct, and that the offender had no criminal history. In this case, the other current offense is not counted in the offender score because under RCW 9.94A.589(1)(a) where current offenses are found to encompass the same criminal conduct, those current offenses shall be counted as one crime. Therefore, the theft and possession would both be scored with offender scores of zero, with a sentence range for each crime of 0 to 60 days. The sentence for each offense will run concurrently.

Example: Assume an offender is convicted on one count of Assault in the Third Degree, with a criminal history consisting of adult convictions for Theft in the Second Degree and Forgery and a single adjudication of Assault in the Second Degree as a juvenile. Pursuant to RCW 9.94A.589(1)(a), the prior Theft in the Second Degree and Forgery are included in the offender score as one point each, and the juvenile Assault in the Second Degree also scores as one point, resulting in an offender score of three points. The sentence range is 9 to 12 months.

- (B) If the current offenses include two or more serious violent offenses arising from separate and distinct conduct, apply RCW 9.94A.589(1)(b):
- Calculate the score for *each* offense.
 - Identify the serious violent offense with the *highest* seriousness level. Calculate the sentence for that crime using the offender's prior adult and juvenile convictions. Do not include any other current serious violent offenses as part of the offender score, but do include other current offenses that are not serious violent offenses.
 - Score all remaining serious violent current offenses, calculating the sentence for the crime using an offender score of *zero*.
 - For any current offenses that are not serious violent offenses, score according to the rules in (A) above.

Example: Assume that an offender is convicted of two counts of Kidnapping in the First Degree and one count of Assault in the First Degree. These offenses constitute serious violent offenses. Assume further that these offenses arose from separate and distinct criminal conduct and that the offender's criminal history consists of one Assault in the Third Degree conviction. The scoring for this offender follows the rules in RCW 9.94A.589(1)(b). First, the crime with the highest seriousness level must be identified and scored. Since Assault in the First Degree is more serious (Level XII) than Kidnapping in the First Degree (Level X), that offense is scored by counting the prior Assault in the Third Degree as part of the adult criminal history. This calculation results in an offender score of one and a sentence range of 102 to 136 months. Next, the Kidnapping in the First Degree convictions are scored using a criminal history of zero. These calculations result in two sentence ranges of 51 to 68 months. The three sentences will run *consecutively*.

- (C) If the current offenses include Unlawful Possession of a Firearm in the First or Second Degree and one, or both, of the felony crimes of Theft of a Firearm or Possession of a Stolen Firearm, score according to the rules in RCW 9.94A.589(1)(c).

Scoring Offender Status While on Community Custody

The offender score also reflects whether the offense was committed while the offender was under community custody. An additional point is added to the offender score for crimes committed on or after July 1, 1988, while the offender was on community custody. RCW 9.94A.525(19). Community custody includes community placement and post-release supervision as defined in RCW 9.94A.030.

DETERMINING THE STANDARD SENTENCE RANGE

USING THE SENTENCING GRID

Once the offense seriousness level has been determined and the offender score has been calculated, the presumptive standard sentence range may be identified on the appropriate sentencing grid.

The standard sentence range for any offense *not* covered under Chapter 69.50 RCW (controlled substances) is established by referring to the standard sentencing grid (RCW 9.94A.510). For each current offense, the intersection of the column defined by the offender score and the row defined by the offense seriousness level determines the standard sentence range. Alternatively, the same range is identified on the individual offense scoring forms provided in this Manual. In those cases where the presumptive sentence duration exceeds the statutory maximum sentence for the offense, the statutory maximum sentence is the presumptive sentence unless the offender is a persistent offender. If the addition of a firearm enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced. RCW 9.94A.599.

Sentences for drug crimes committed on or after July 1, 2003, should be calculated and entered in accordance with the grid set forth in RCW 9.94A.517 and presented in this Manual.

Sentences for crimes committed on or after July 25, 1999, and not affected by the 2002 amendments to the SRA, should be determined according to the sentencing grid in Section 4, page 41.

Sentences for crimes committed on or after July 27, 1997, and before July 25, 1999, should be determined according to the sentencing grid in Section 4, page 54.

Sentences for crimes committed on or after July 1, 1990, and before July 27, 1997, should be determined according to the sentencing grid in Section 4, page 55.

Sentences for crimes committed prior to July 1, 1990, should be determined according to sentencing grid in Section 4, page 56.

ANTICIPATORY OFFENSES (*Non-VUCSA Attempts, Conspiracies and Solicitations*)

The standard sentence range for persons convicted of an anticipatory offense (criminal attempt, solicitation or conspiracy) is 75 percent of the standard sentence range of the completed offense, determined by using the offender score and offense seriousness level (RCW 9.94A.595). For aid in calculating the range, refer to the anticipatory offense grids in Section 4.

RELEVANT STATUTES – NON VUCSA OFFENSES

Criminal Attempt (RCW 9A.28.020)

- (1) A person is guilty of an attempt to commit a crime if, with intent to commit a specific crime, he or she does any act which is a substantial step toward the commission of that crime.
- (2) If the conduct in which a person engages otherwise constitutes an attempt to commit a crime, it is no defense to a prosecution of such attempt that the crime charged to have been attempted was, under the attendant circumstances, factually or legally impossible of commission.
- (3) An attempt to commit a crime is a:
 - (a) Class A felony when the crime attempted is Murder in the First Degree, Murder in the Second Degree, Arson in the First Degree, Child Molestation in the First Degree, Indecent Liberties by Forcible Compulsion, Rape in the First Degree, Rape in the Second Degree, Rape of a Child in the First Degree, or Rape of a Child in the Second Degree;
 - (b) Class B felony when the crime attempted is a Class A felony other than an offense listed in (a) of this subsection;

- (c) Class C felony when the crime attempted is a Class B felony;
- (d) Gross misdemeanor when the crime attempted is a Class C felony;
- (e) Misdemeanor when the crime attempted is a gross misdemeanor or misdemeanor.

Criminal Solicitation (RCW 9A.28.030)

- (1) A person is guilty of criminal solicitation when, with intent to promote or facilitate the commission of a crime, he or she offers to give or gives money or other thing of value to another to engage in specific conduct which would constitute such crime or which would establish complicity of such other person in its commission or attempted commission had such crime been attempted or committed.
- (2) Criminal solicitation shall be punished in the same manner as criminal attempt under RCW 9A.28.020.

Criminal Conspiracy (RCW 9A.28.040)

- (1) A person is guilty of criminal conspiracy when, with intent that conduct constituting a crime be performed, he or she agrees with one or more persons to engage in or cause the performance of such conduct, and any one of them takes a substantial step in pursuance of such agreement.
- (2) It shall not be a defense to criminal conspiracy that the person or persons with whom the accused is alleged to have conspired:
 - (a) Has not been prosecuted or convicted; or
 - (b) Has been convicted of a different offense; or
 - (c) Is not amenable to justice; or
 - (d) Has been acquitted; or
 - (e) Lacked the capacity to commit an offense; or
 - (f) Is a law enforcement officer or other government agent who did not intend that a crime be committed.
- (3) Criminal conspiracy is a:
 - (a) Class A felony when an object of the conspiratorial agreement is Murder in the First Degree;
 - (b) Class B felony when an object of the conspiratorial agreement is a Class A felony other than Murder in the First Degree;
 - (c) Class C felony when an object of the conspiratorial agreement is a Class B felony;
 - (d) Gross misdemeanor when an object of the conspiratorial agreement is a Class C felony;
 - (e) Misdemeanor when an object of the conspiratorial agreement is a gross misdemeanor or misdemeanor.

Anticipatory Offenses (RCW 9.94A.595)

For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under Chapter 9A.28 RCW, the presumptive sentence is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the crime, and multiplying the range by 75 percent.

In calculating an offender score, count each prior conviction as if the present conviction were for the completed offense. When these convictions are used as criminal history, score them the same as a completed offense.

ANTICIPATORY OFFENSES (VUCSA Attempts, Conspiracies and Solicitations)

The calculation of sentences stemming from anticipatory VUCSA offenses (Chapter 69.50 RCW) presents different challenges than calculating sentences for anticipatory offenses arising under the criminal code.

An attempt or conspiracy to commit a VUCSA offense is specifically addressed in RCW 69.50.407, which provides that such offenses are punishable by "...imprisonment or fine or both which may not exceed the maximum punishment prescribed for the offense..." The appellate courts have consistently held that for VUCSA offenses, RCW 69.50.407 takes precedence over Chapter 9A.28 RCW. Although current statute and case law should be reviewed for definitive guidance in this area, the following summarizes current sentencing practices.

An attempt or conspiracy to commit a VUCSA offense is typically sentenced as an "unranked" offense (0-12 months). In State v. Mendoza, the Court of Appeals held that since "a conspiracy conviction under RCW 69.50.407 has no sentencing

directions from the Legislature, it is punished under the unspecified crimes provisions of RCW 9.94A.505(2)(b)." 63 Wn. App. 373 (1991).

A *solicitation* to commit a VUCSA offense is not specifically addressed in Chapter 69.50 RCW. It is usually charged under Chapter 9A.28 RCW and sentenced under RCW 9.94A.510 at 75 percent of the standard range. Solicitations to commit VUCSA offenses are not considered "drug offenses", but do score as such and are subject to the multiple "scoring" requirement. See RCW 9.94A.525(4), (6) and *State v. Howell*, 102 Wn. App. 288, 6 P. 3d 1201 (2000).

Table 1 presents the current status of statute and case law on appropriate sentence ranges for anticipatory VUCSA offenses.

RELEVANT STATUTES FOR VUCSA OFFENSES

Delivery Definition (RCW 69.50.101(f))

"Deliver" or "delivery" means the actual or constructive transfer from one person to another of a substance, whether or not there is an agency relationship.

Criminal Conspiracy (RCW 69.50.407)

Any person who attempts or conspires to commit any offense defined in this chapter is punishable by imprisonment or fine or both which may not exceed the maximum punishment prescribed for the offense, the commission of which was the object of the attempt or conspiracy.

[1971 ex.s. c 308 § 69.50.407.]

****Sentences (RCW 9.94A.505(2)(b))**

If a standard sentence range has not been established for the offender's crime, the Court shall impose a determinate sentence which may include not more than one year of confinement; community restitution work; a term of community custody under RCW 9.94A.702 not to exceed one year; and/or other legal financial obligations. The Court may impose a sentence which provides more than one year of confinement and a community custody term under 9.94A.701 if the Court finds reasons justifying an exceptional sentence as provided in RCW 9.94A.535.

Criminal Solicitation (RCW 9A.28.030)

- (1) A person is guilty of criminal solicitation when, with intent to promote or facilitate the commission of a crime, he offers to give or gives money or other thing of value to another to engage in specific conduct which would constitute such crime or which would establish complicity of such other person in its commission or attempted commission had such crime been attempted or committed.
- (2) Criminal solicitation shall be punished in the same manner as criminal attempt under RCW 9A.28.020.

*Solicitations drop one class from the underlying offense (e.g., a solicitation to commit a Class B felony is a Class C felony). Solicitations to commit Class C felonies are gross misdemeanors.

The Washington State Court of Appeals ruled that although solicitations to commit violations of Chapter 69.50 RCW are not considered drug offenses as defined in 9.94A.030, they do score as a drug offense. See State v. Howell, 102 Wn. App. 288, 6 P.3d 1201 (2000).

The Supreme Court clarified that solicitations to commit violations of the Uniform Controlled Substances Act (Chapter 69.50 RCW) are not "drug offenses" and are not subject to the community custody requirement for drug offenses, under RCW 9.94A.701 and 9.94A.702. See In re Hopkins, 137 Wn.2d 897 (1999).

Second or Subsequent Offense (RCW 69.50.408)

- (1) Any person convicted of a second or subsequent offense under this chapter may be imprisoned for a term up to twice the term otherwise authorized, fined an amount up to twice that otherwise authorized, or both.
- (2) For purposes of this section, an offense is considered a second or subsequent offense, if, prior to his or her conviction of the offense, the offender has at any time been convicted under this chapter or under any statute of the United States or of any state relating to narcotic drugs, marihuana, depressant, stimulant, or hallucinogenic drugs.
- (3) This section does not apply to offenses under RCW 69.50.4013.

TERMS OF CONFINEMENT

STANDARD SENTENCE RANGE

The sentencing grid prescribes the standard sentence range for most of the commonly charged felonies. RCW 9.94A.599 provides that if the presumptive sentence duration given in the sentencing grid exceeds the statutory maximum sentence for the offense, the statutory maximum sentence shall be the presumptive sentence.

The ranges in the sentencing grid are expressed in terms of total confinement. A term of confinement of one year and one day (12+), or a sentence under the Drug Offender Sentencing Alternative or Family Offender Sentencing Alternative, is to be served in a state facility or institution. In addition, any sex offense sentenced under RCW 9.94A.507 of one year or less will be served in a state facility or institution. A term of one year or less (other than those described above) is to be served in a county facility unless, when combined with other felony terms, the total time to be served exceeds one year (RCW 9.94A.190). A court may convert total confinement sentences to partial confinement or community service for some offenders. Offenders who have received a sentence greater than one year, and who also have received another sentence less than one year are required to serve the entire period of time in a state facility or institution.

“UNRANKED” OFFENSES

Offenders convicted of “unranked crimes,” crimes without an established seriousness level, are not subject to standard sentence ranges. In such cases, courts are required to impose a determinate sentence which may include zero to 365 days of confinement and may also include community service, legal financial obligations, a term of community custody not to exceed one year and/or a fine. Orders of confinement longer than one year constitute exceptional sentences, which must be justified in writing. RCW 9.94A.505(2)(b); RCW 9.94A.535.

PERSISTENT OFFENDERS

Voters approved Initiative 593 (“Three Strikes and You’re Out”) in 1993. The law, which became effective on December 2, 1993, established the penalty of life in prison without the possibility of release for “persistent offenders.” The life sentence applies to both “Three Strike” and “Two Strike” offenders.

“Three Strikes”

The original “Three Strikes” legislation defined a “persistent offender” as an offender who is convicted of a “most serious offense” and who has at least two prior convictions for most serious offenses that would be included in the offender score under 9.94A.525. In order to be applicable to the three strikes statute, the first prior conviction must have occurred before the second prior conviction offense was committed. See Section 5, page 63 for a list of the “most serious offenses” as defined by RCW 9.94A.030(32).

“Two Strikes”

The definition of persistent offender also includes “Two Strike” sex offenders. To qualify as a persistent sex offender, an offender must have two separate convictions of specified sex offenses. The 1997 Legislature broadened the list of offenses that qualify as strikes under the “Two Strikes” law. The specific offenses qualifying as “Two Strikes” are enumerated in the “persistent offender” definition in RCW 9.94A.030(37)(b) and can be found in Section 5, page 66.

An offender convicted of one of these offenses, who has at least one previous conviction for one of these offenses, must be sentenced to life in prison without the possibility of release.

NON-PERSISTENT SEX OFFENDERS (DETERMINATE-PLUS)

During the 2001 Second Special Session, the Legislature enacted 3ESSB 6151 – The Management of Sex Offenders in the Civil Commitment and Criminal Justice Systems. The resulting “non-persistent offender” system is also called

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner’s or court’s reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

“determinate-plus”, but it is an indeterminate sentence. An offender must be sentenced to an indeterminate term if he or she is not a persistent offender but:

- is sentenced for any of the “two strike” offenses listed in Section 5, page 66; or
- is sentenced for any sex offense, except failure to register, and has a prior conviction for a “two-strike” offense.

This sentencing rule does not apply to offenders seventeen years old or younger at the time of the offense and who have been convicted of Rape of a Child in the First Degree, Rape of a Child in the Second Degree or Child Molestation in the First Degree.

A “determinate-plus” sentence must contain a minimum term of confinement that falls within the standard range, according to the seriousness level of the offense and the offender score, and a maximum term equaling the statutory maximum sentence for the offense. The minimum term may also constitute an exceptional sentence as provided by RCW 9.94A.535. A “determinate-plus” offender is eligible for earned release pursuant to RCW 9.94A.728 and is given the opportunity to receive sex offender treatment while incarcerated. Some “determinate-plus” offenders are eligible for the Special Sex Offender Sentencing Alternative as provided in RCW 9.94A.670, unless they have committed Rape in the First Degree, Rape in the Second Degree or any of the following offenses with sexual motivation: Murder in the First Degree, Murder in the Second Degree, Homicide by Abuse, Kidnapping in the First Degree, Kidnapping in the Second Degree, Assault in the First Degree, Assault in the Second Degree, Assault of a Child in the First Degree, Assault of a Child in the Second Degree or Burglary in the First Degree. Additionally, all sentences under this provision must be served in prison, regardless of the sentence length.

Offenders given “determinate plus” sentences fall under the purview of the Indeterminate Sentence Review Board through the maximum term of the sentence. Those released from prison will be supervised by the Department of Corrections and will remain on community custody through the maximum term of the sentence.

EXCEPTIONAL SENTENCES

The standard sentence range is presumed to be appropriate for the *typical* felony case. The SRA, per RCW 9.94A.535, however, provides that the Court “may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.”

An exceptional sentence must be for a determinate term and cannot exceed the statutory maximum for the crime. An exceptional sentence cannot include a term less than a mandatory minimum term of confinement if one exists. RCW 9.94A.540 sets a mandatory minimum term of confinement for certain offenses. RCW 10.95.030 sets a lifetime imprisonment term for Aggravated Murder in the First Degree. Per RCW 9.94A.570’s terms, persistent offenders sentenced to life in prison are not eligible for exceptional sentences.

Pursuant to the United States Supreme Court, before a court is permitted to impose sentences above the standard range, “[o]ther than the fact of a prior conviction, any fact that increases the penalty for a crime beyond the prescribed statutory maximum must be submitted to a jury, and proved beyond a reasonable doubt.” Blakely v. Washington, 542 U.S. 296, 124 S.Ct. 2531, 159 L.Ed.2d 403 (2004).

If an exceptional sentence is given, the sentencing court is required to set forth the reasons for the departure from the standard range (RCW 9.94A.535) or from the consecutive/concurrent policy (RCW 9.94A.589(1) and (2)) in written Findings of Fact and Conclusions of Law. Exceptional sentences may be appealed by the offender or by the State.

RCW 9.94A.535 provides a list of factors that the Court may consider in deciding whether to impose an exceptional sentence.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner’s or court’s reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

Mitigating Circumstances for Exceptional Sentences

Mitigating circumstances justifying a sentence below the standard range can found in RCW 9.94A.535(1). But the circumstances on this list are provided as examples only. It is not intended to be an exclusive list of reasons for a departure below the standard range.

Aggravating Circumstances for Exceptional Sentences

Unlike mitigating circumstances, an exceptional sentence that is aggravated must be based on one or more of the circumstances listed in the statute. The list is not illustrative.

The Court may impose an aggravated exceptional sentence *without* a finding of fact by a jury if the defendant and state both stipulate that justice is best served by an exceptional sentence and the Court agrees that the stipulation is in the interest of justice and consistent with the Sentencing Reform Act under RCW 9.94A.535(2).

The Court may also impose an exceptional sentence above the standard range if the procedures specified in RCW 9.94A.537 are followed and a jury makes findings of fact supporting any of the aggravating circumstances found in RCW 9.94A.535(3).

CONSECUTIVE AND CONCURRENT SENTENCES

RCW 9.94A.589 sets forth the rules regarding consecutive and concurrent sentences. Generally, sentences for multiple offenses set at one sentencing hearing are served concurrently unless there are two or more separate serious violent offenses or weapon offenses. In those cases, the sentences are served consecutively, unless an exceptional sentence is entered. (RCW 9.94A.589(1)(a)). The exceptions to this general rule are as follows:

Offenses that Constitute Same Criminal Conduct

If the Court enters a finding that some or all of the current offenses required the same criminal intent, were committed at the same time and place and involved the same victim, the offenses are treated as one offense. RCW 9.94A.589(1)(a). A departure from this rule requires an exceptional sentence. (RCW 9.94A.535).

Multiple Serious Violent Offenses

In the case of two or more serious violent offenses arising from separate and distinct criminal conduct, the sentences for these serious violent offenses are served consecutively to each other and concurrently with any other sentences imposed for current offenses (RCW 9.94A.589(1)(b)). A departure from this rule requires an exceptional sentence. (RCW 9.94A.535).

Certain Firearm-related Offenses

In the case of an offender convicted of Unlawful Possession of a Firearm in the First or Second Degree *and* for one or both of the crimes of Theft of a Firearm or Possession of a Stolen Firearm, the sentences for these crimes are served consecutively for each conviction of the felony crimes listed and for each firearm unlawfully possessed¹¹. (RCW 9.94A.589(1)(c)). A departure from this rule requires an exceptional sentence. (RCW 9.94A.535).

Weapon Enhancements

In the case of an offender receiving a deadly weapon enhancement for offenses committed after July 23, 1995, the deadly weapon enhancement portion of the standard range is served consecutively to all other sentencing provisions, including other firearm or deadly weapon enhancements (RCW 9.94A.533). A departure from this rule requires an exceptional sentence (RCW 9.94A.535).

Felony Committed While Offender was Under Sentence for Another Felony

Whenever a current offense is committed while the offender is under sentence for a previous felony and the offender was also sentenced for another term of imprisonment, the latter term may not begin until expiration of all prior terms (RCW 9.94A.589(2)). A departure from this rule requires an exceptional sentence (RCW 9.94A.535).

¹¹ Part of Initiative 159. Effective for offenses committed after July 23, 1995 (RCW 9.41.040(6))

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

Felonies Committed While Offender was not Under Sentence for Another Felony

This rule applies when offenders face multiple charges or have multiple convictions from different jurisdictions. Subject to the above policies, whenever a person is sentenced under a felony that was committed while the person was *not* under sentence for a felony, the sentence runs concurrently with felony sentences previously imposed by any court in this or another state or by a federal court, unless the court pronouncing the subsequent sentence expressly orders that they be served consecutively (RCW 9.94A.589(3)).

Probation Revocation

Whenever any person granted probation under RCW 9.95.210 or RCW 9.92.060, or both, has a probationary sentence revoked and a prison sentence imposed, this sentence runs consecutively to any sentence imposed, unless the court pronouncing the subsequent sentence expressly orders that they be served concurrently (RCW 9.94A.589(4)). This rule applies when an offender's pre-Sentencing Reform Act case probation is revoked and he or she is also sentenced on a conviction for a crime committed after June 30, 1984, the inception date of the SRA.

Serving Total Confinement with Consecutive Sentences

In the case of consecutive sentences, all periods of total confinement must be served before any periods of partial confinement, community service, community supervision or any other requirement or condition of a sentence (RCW 9.94A.589(5)). This rule applies to offenders who have not completed their sentence requirements from a previous conviction and are sentenced to total confinement on a new offense. A departure from this rule requires an exceptional sentence (RCW 9.94A.535).

LIMITS ON EARNED RELEASE

RCW 9.94A.728 provides that an offender's sentence may be reduced by "earned release time." This time is earned through good behavior and good performance, as determined by the correctional agency that has jurisdiction over the offender. An offender can accumulate "earned release time" while serving a sentence and during pre-sentence incarceration.

During the 2003 session the legislature passed ESSB 5990. The legislation amended RCW 9.94A.728, in part, to increase earned release time for good behavior up to fifty (50) percent of a sentence. The increase became effective July 1, 2003. The right to earn early release time at the rate of 50 percent does not apply to offenders convicted after July 1, 2010.

Offenders convicted of a serious violent offense or a sex offense that is a Class A felony committed between July 1, 1990, and July 1, 2003, are prohibited from earning release time in excess of fifteen (15) percent. Offenders committing these offenses on or after July 1, 2003, will not earn release time credit in excess of ten (10) percent.

Offenders sentenced under the Special Sex Offender Sentencing Alternative are not eligible to accrue any earned release time while serving a suspended sentence.

An offender may not receive any earned release time for that portion of a sentence that result from any firearm and/or deadly weapon enhancements.

Finally, no matter how much release time has been earned under RCW 9.95A.728, an offender sentenced for a crime that has a mandatory minimum sentence shall not be released from total confinement before the completion of the mandatory minimum for that crime unless allowable under RCW 9.94A.540.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

REVIEW OF SENTENCES

Sentences within the standard range cannot be appealed. (RCW 9.94A.585). These include sentences imposed pursuant to the First-Time Offender provisions found in RCW 9.94A.650. Sentences outside the standard range may be appealed by the defendant or by the prosecutor.

Review is limited to the record made before the sentencing court. Pending review, the sentencing court or the Court of Appeals may order the defendant confined or placed on condition release, including bond.

Before reversing a sentence that is outside the sentence range, the Court of Appeals must find that:

- The reasons supplied by the sentencing judge were not supported by the record, or they do not justify a sentence outside the range; or
- The sentence imposed was clearly excessive or clearly too lenient.

The Department of Corrections may request a review of a sentence committing an offender to the custody or jurisdiction of the Department. This review must be limited to errors of law and must be filed with the Court of Appeals no later than 90 days after the Department has actual knowledge of the term of the sentence. The Department must certify that all reasonable efforts to resolve the dispute at the Superior Court level have been exhausted.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

VIOLATION OF COMMUNITY CUSTODY CONDITIONS

An offender who violates any condition or requirement of a sentence **may be sanctioned by the court with up to sixty days'** confinement for each violation or **by the department with up to thirty days'** confinement as provided in RCW 9.94A.737.

Any time served in confinement awaiting the violation hearing must be credited against any confinement order. If a court finds that a violation was not willful, the Court may dismiss the violation and regarding payment of legal financial obligations and community service obligations the Court may modify its previous order. In all cases of community custody escape, escape charges may also be filed, if appropriate.

These rules and procedures apply retroactively and prospectively regardless of the date of an offender's underlying offense.

ARREST AND CONFINEMENT (RCW 9.94A.631)

If an offender violates any condition or requirement of a sentence, a community corrections officer may arrest or cause the arrest of the offender without a warrant, pending a determination by the court or by the department. If there is reasonable cause to believe that an offender has violated a condition or requirement of the sentence, a community corrections officer may require an offender to submit to a search and seizure of the offender's person, residence, automobile, or other personal property.

For the safety and security of department staff, an offender may be required to submit to pat searches, or other limited security searches, by community corrections officers, correctional officers, and other agency approved staff, without reasonable cause, when in or on department premises, grounds, or facilities, or while preparing to enter department premises, grounds, facilities, or vehicles. Pat searches of offenders shall be conducted only by staff who are the same gender as the offender, except in emergency situations.

A community corrections officer may also arrest an offender for any crime committed in his or her presence. The facts and circumstances of the conduct of the offender shall be reported by the community corrections officer, with recommendations, to the court, local law enforcement, or local prosecution for consideration of new charges. The community corrections officer's report shall serve as the notice that the department will hold the offender for not more than three days from the time of such notice for the new crime, except if the offender's underlying offense is a felony offense listed in RCW 9.94A.737(5), in which case the department will hold the offender for thirty days from the time of arrest or until a prosecuting attorney charges the offender with a crime, whichever occurs first. This does not affect the department's authority under RCW 9.94A.737.

If a community corrections officer arrests or causes the arrest of an offender under this section, the offender shall be confined and detained in the county jail of the county in which the offender was taken into custody, and the sheriff of that county shall receive and keep in the county jail, where room is available, all prisoners delivered to the jail by the community corrections officer, and such offenders shall not be released from custody on bail or personal recognizance, except upon approval of the court or authorized department staff, pursuant to a written order.

SANCTIONS AND PROCEDURES (RCW 9.94A.933)

An offender who violates any condition or requirement of a sentence may be sanctioned by the court with up to sixty days' confinement for each violation or by the department with up to thirty days' confinement as provided in RCW 9.94A.737.

In lieu of confinement, an offender may be sanctioned with work release, home detention with electronic monitoring, work crew, community restitution, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other community-based sanctions.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

If an offender was under community custody pursuant to one of the following statutes, the offender may be sanctioned as follows:

- (a) If the offender was transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.728, the offender may be transferred to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation.
- (b) If the offender was sentenced under the drug offender sentencing alternative set out in RCW 9.94A.660, the offender may be sanctioned in accordance with that section.
- (c) If the offender was sentenced under the parenting sentencing alternative set out in RCW 9.94A.655, the offender may be sanctioned in accordance with that section.
- (d) If the offender was sentenced under the special sex offender sentencing alternative set out in RCW 9.94A.670, the suspended sentence may be revoked and the offender committed to serve the original sentence of confinement.
- (e) If the offender was sentenced to a work ethic camp pursuant to RCW 9.94A.690, the offender may be reclassified to serve the unexpired term of his or her sentence in total confinement.
- (f) If a sex offender was sentenced pursuant to RCW 9.94A.507, the offender may be transferred to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation.

If a probationer is being supervised by the department pursuant to RCW 9.92.060, 9.95.204, or 9.95.210, the probationer may be sanctioned pursuant to subsection (1) of this section. The department shall have authority to issue a warrant for the arrest of an offender who violates a condition of community custody, as provided in RCW 9.94A.716. Any sanctions shall be imposed by the department pursuant to RCW 9.94A.737. Nothing in this subsection is intended to limit the power of the sentencing court to respond to a probationer's violation of conditions.

The parole or probation of an offender who is charged with a new felony offense may be suspended and the offender placed in total confinement pending disposition of the new criminal charges if:

- (a) The offender is on parole pursuant to RCW 9.95.110(1); or
- (b) The offender is being supervised pursuant to RCW 9.94A.745 and is on parole or probation pursuant to the laws of another state.

SANCTIONS – WHERE SERVED (RCW 9.94A.6331)

If a sanction of confinement is imposed by the court, the following applies:

If the sanction was imposed pursuant to RCW 9.94A.633(1), the sanction shall be served in a county facility.

If the sanction was imposed pursuant to RCW 9.94A.633(2), the sanction shall be served in a state facility.

If a sanction of confinement is imposed by the department, and if the offender is an inmate as defined by RCW 72.09.015, no more than eight days of the sanction, including any credit for time served, may be served in a county facility. The balance of the sanction shall be served in a state facility. In computing the eight-day period, weekends and holidays shall be excluded. The department may negotiate with local correctional authorities for an additional period of detention.

If a sanction of confinement is imposed by the board, it shall be served in a state facility.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

Sanctions imposed pursuant to RCW 9.94A.670(3) shall be served in a county facility.

As used in this section, "county facility" means a facility operated, licensed, or utilized under contract by the county, and "state facility" means a facility operated, licensed, or utilized under contract by the state.

SANCTIONS – WHICH ENTITY IMPOSES (RCW 9.94A.6332)

The procedure for imposing sanctions for violations of sentence conditions or requirements is as follows:

If the offender was sentenced under the drug offender sentencing alternative, any sanctions shall be imposed by the department or the court pursuant to RCW 9.94A.660.

If the offender was sentenced under the special sex offender sentencing alternative, any sanctions shall be imposed by the department or the court pursuant to RCW 9.94A.670.

If the offender was sentenced under the parenting sentencing alternative, any sanctions shall be imposed by the department or by the court pursuant to RCW 9.94A.655.

If a sex offender was sentenced pursuant to RCW 9.94A.507, any sanctions shall be imposed by the board pursuant to RCW 9.95.435.

In any other case, if the offender is being supervised by the department, any sanctions shall be imposed by the department pursuant to RCW 9.94A.737. If a probationer is being supervised by the department pursuant to RCW 9.92.060, 9.95.204, or 9.95.210, upon receipt of a violation hearing report from the department, the court retains any authority that those statutes provide to respond to a probationer's violation of conditions.

(6) If the offender is not being supervised by the department, any sanctions shall be imposed by the court pursuant to RCW 9.94A.6333.

SANCTIONS – MODIFICATION OF SENTENCE (RCW 9.94A.6333)

If an offender violates any condition or requirement of a sentence, and the offender is not being supervised by the department, the court may modify its order of judgment and sentence and impose further punishment in accordance with this section.

If an offender fails to comply with any of the conditions or requirements of a sentence the following provisions apply:

The court, upon the motion of the state, or upon its own motion, shall require the offender to show cause why the offender should not be punished for the noncompliance. The court may issue a summons or a warrant of arrest for the offender's appearance;

The state has the burden of showing noncompliance by a preponderance of the evidence;

If the court finds that a violation has been proved, it may impose the sanctions specified in RCW 9.94A.633(1). Alternatively, the court may:

Convert a term of partial confinement to total confinement;

Convert community restitution obligation to total or partial confinement; or

Convert monetary obligations, except restitution and the crime victim penalty assessment, to community restitution hours at the rate of the state minimum wage as established in RCW 49.46.020 for each hour of community restitution;

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

If the court finds that the violation was not willful, the court may modify its previous order regarding payment of legal financial obligations and regarding community restitution obligations; and

If the violation involves a failure to undergo or comply with a mental health status evaluation and/or outpatient mental health treatment, the court shall seek a recommendation from the treatment provider or proposed treatment provider. Enforcement of orders concerning outpatient mental health treatment must reflect the availability of treatment and must pursue the least restrictive means of promoting participation in treatment. If the offender's failure to receive care essential for health and safety presents a risk of serious physical harm or probable harmful consequences, the civil detention and commitment procedures of chapter 71.05 RCW shall be considered in preference to incarceration in a local or state correctional facility.

Any time served in confinement awaiting a hearing on noncompliance shall be credited against any confinement ordered by the court.

Nothing in this section prohibits the filing of escape charges if appropriate.

DOC STRUCTURED VIOLATION PROCESS (RCW 9.94A.737)

If an offender is accused of violating any condition or requirement of community custody, the department of corrections (*DOC*) shall address the violation behavior. The department may hold offender disciplinary proceedings not subject to chapter 34.05 RCW. The department shall notify the offender in writing of the violation process.

The offender's violation behavior shall determine the sanction the department imposes.

(a) The department shall adopt rules creating a structured violation process that includes presumptive sanctions, aggravating and mitigating factors, and definitions for low level violations and high level violations.

(b) After an offender has committed and been sanctioned for five low level violations, all subsequent violations committed by that offender shall automatically be considered high level violations.

(c)(i) The department must define aggravating factors that indicate the offender may present a current and ongoing foreseeable risk and which therefore, elevate an offender's behavior to a high level violation process.

(ii) The state and its officers, agents, and employees may not be held criminally or civilly liable for a decision to elevate or not to elevate an offender's behavior to a high level violation process under this subsection unless the state or its officers, agents, and employees acted with reckless disregard.

The department may intervene when an offender commits a low level violation as follows:

(a) For a first low level violation, the department may sanction the offender to one or more non-confinement sanctions.

(b) For a second or subsequent low level violation, the department may sanction the offender to not more than three days in total confinement.

(i) The department shall develop rules to ensure that each offender subject to a short-term confinement sanction is provided the opportunity to respond to the alleged violation prior to imposition of total confinement.

(ii) The offender may appeal the short-term confinement sanction to a panel of three reviewing officers designated by the secretary or by the secretary's designee. The offender's appeal must be in writing and hand-delivered to department staff, or postmarked, within seven days after the sanction is imposed.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

If an offender is accused of committing a high level violation, the department may sanction the offender to not more than thirty days in total confinement per hearing.

(a) The offender is entitled to a hearing prior to the imposition of sanctions; and

(b) The offender may be held in total confinement pending a sanction hearing. Prehearing time served must be credited to the offender's sanction time.

If the offender's underlying offense is one of the following felonies and the violation behavior constitutes a new misdemeanor, gross misdemeanor or felony, the offender shall be held in total confinement pending a sanction hearing, and until the sanction expires or until if a prosecuting attorney files new charges against the offender, whichever occurs first:

(a) Assault in the first degree, as defined in RCW 9A.36.011;

(b) Assault of a child in the first degree, as defined in RCW 9A.36.120;

(c) Assault of a child in the second degree, as defined in RCW 9A.36.130;

(d) Burglary in the first degree, as defined in RCW 9A.52.020;

(e) Child molestation in the first degree, as defined in RCW 9A.44.083;

(f) Commercial sexual abuse of a minor, as defined in RCW 9.68A.100;

(g) Dealing in depictions of a minor engaged in sexually explicit conduct, as defined in RCW 9.68A.050;

(h) Homicide by abuse, as defined in RCW 9A.32.055;

(i) Indecent liberties with forcible compulsion, as defined in RCW 9A.44.100(1)(a);

(j) Indecent liberties with a person capable of consent, as defined in RCW 9A.44.100(1)(b);

(k) Kidnapping in the first degree, as defined in RCW 9A.40.020;

(l) Murder in the first degree, as defined in RCW 9A.32.030;

(m) Murder in the second degree, as defined in RCW 9A.32.050;

(n) Promoting commercial sexual abuse of a minor, as defined in RCW 9.68A.101;

(o) Rape in the first degree, as defined in RCW 9A.44.040;

(p) Rape in the second degree, as defined in RCW 9A.44.050;

(q) Rape of a child in the first degree, as defined in RCW 9A.44.073;

(r) Rape of a child in the second degree, as defined in RCW 9A.44.076;

(s) Robbery in the first degree, as defined in RCW 9A.56.200;

(t) Sexual exploitation of a minor, as defined in RCW 9.68A.040; or

(u) Vehicular homicide while under the influence of intoxicating liquor or any drug, as defined in RCW 46.61.520(1)(a).

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

The department shall adopt rules creating hearing procedures for high level violations. The hearings are offender disciplinary proceedings and are not subject to chapter 34.05 RCW. The procedures shall include the following:

(a) The department shall provide the offender with written notice of the alleged violation and the evidence supporting it. The notice must include a statement of the rights specified in this subsection, and the offender's right to file a personal restraint petition under court rules after the final decision;

(b) Unless the offender waives the right to a hearing, the department shall hold a hearing, and shall record it electronically. For offenders not in total confinement, the department shall hold a hearing within fifteen business days, but not less than twenty-four hours, after written notice of the alleged violation. For offenders in total confinement, the department shall hold a hearing within five business days, but not less than twenty-four hours, after written notice of the alleged violation;

(c) The offender shall have the right to: (i) Be present at the hearing; (ii) have the assistance of a person qualified to assist the offender in the hearing, appointed by the hearing officer if the offender has a language or communications barrier; (iii) testify or remain silent; (iv) call witnesses and present documentary evidence; (v) question witnesses who appear and testify; and (vi) receive a written summary of the reasons for the hearing officer's decision; and

(d) The sanction shall take effect if affirmed by the hearing officer.

The hearings officer may not rely on unconfirmed or unconfirmable allegations to find that the offender violated a condition.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

DISCHARGE AND VACATION OF CONVICTION RECORD

DISCHARGE

When an offender reaches the end of supervision with the Department of Corrections, and has completed all of the requirements of sentence except payment of legal financial obligations, the Department shall notify the county clerk who will then supervise payment of legal financial obligations.

When an offender completes all of his or her sentence requirements, the Department (or the county clerk, if the clerk has been supervising payment of legal financial obligations) must notify the sentencing court in accordance with RCW 9.94A.637.

If an offender is not subject to supervision by the Department or does not complete all of his sentence requirements while under Department supervision, it is the offender's responsibility to provide the Court with verification of the completion of sentence conditions other than the payment of legal financial obligations.

When the Court has adequate notice from the Department, the court clerk, and/or the offender, the Court then discharges the offender and provides him or her with a certificate of discharge. This certificate restores all civil rights lost upon conviction. It is not, however, based on a finding of rehabilitation.

Every signed certificate and order of discharge shall be filed with the county clerk of the sentencing county. The Court shall also send a copy of the certificate and order to the Department. The county clerk shall also enter the offender's name, date of discharge and date of conviction and offense, into the database maintained by the Administrative Office of the Courts.

Following discharge, the offender's prior record may be used to determine the sentence for any later convictions and may also be used in later criminal prosecution as an element of an offense or for impeachment purposes. Unless specifically ordered by the sentencing court, the certificate of discharge will not terminate the offender's obligation to comply with an order issued under Chapter 10.99 RCW that excludes or prohibits the offender from having contact with a specified person or coming within a set distance of any specified location that was contained in the judgment and sentence. Offenders may still be prosecuted for violating any such provisions.

An offender who is not convicted of a violent offense or a sex offense and is sentenced to a term of community supervision may be considered for a discharge of sentence by the sentencing court prior to the completion of community supervision, provided that the offender has completed at least one-half of the term of community supervision and has met all other sentence requirements.

Upon release from custody, the offender may apply to the Department for counseling and help in adjusting to the community. The voluntary help may be provided for up to one year following the release from custody.

VACATION OF CONVICTION RECORD

Every offender discharged under the above provision may apply to the sentencing court for a vacation of the conviction record as provided in RCW 9.94A.640. The offender's record cannot be cleared if:

- Any criminal charges are pending against the offender in any court in this state, another state or federal court;
- The offense was a violent offense (as defined in RCW 9.94A.030(54));
- The offense was a crime against children or other persons (as defined in RCW 43.43.830);
- The offender has been convicted of a new crime in this state, another state or federal court since the date of the offender's discharge;
- The offense was a Class B felony, and less than ten years have passed since the date the applicant was discharged;

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

- The offense was a Class C felony, other than felony Driving Under the Influence of Intoxicating Liquor or any Drug or felony Physical Control While Under the Influence of Intoxicating Liquor or any Drug and less than five years have passed since the date the applicant was discharged; or
- The offense was felony Driving Under the Influence of Intoxicating Liquor or any Drug or felony Physical Control While Under the Influence of Intoxicating Liquor or any Drug.

If the offender meets these tests, the Court may clear the record of conviction by:

- Permitting the offender to withdraw his/her guilty plea and to enter a plea of not guilty; or
- Setting aside the guilty verdict, if the offender was convicted after a plea of not guilty; and
- Dismissing the information or indictment against the offender.

Once the Court vacates a record of conviction, the offender's conviction may not be included in the offender's criminal history for purposes of determining a sentence in any subsequent conviction, and the offender must be released from all penalties and disabilities resulting from the offenses. For all purposes, including responding to questions on employment applications, an offender whose record of conviction has been vacated may state that he or she has never been convicted of that crime. However, a vacated conviction record may be used as an element of a crime in a later criminal prosecution.

The sentencing guidelines allow automatic "wash-out" of prior convictions that meet the requirements of vacation of conviction. This policy allows offenders who do not formally apply to the Court to have eligible offenses excluded from their criminal history in subsequent convictions. (See Determining Offender Score, Criminal History Collection in this section for further discussion of this policy.)

ALTERNATIVES TO CONFINEMENT

ALTERNATIVE CONVERSIONS

The sentencing grid ranges are expressed in terms of total confinement (RCW 9.94A.530). For certain offenders, a Court may convert terms of total confinement to partial confinement or to community service. This provision allows courts to take advantage of available alternatives to confinement in cases where it is deemed appropriate. *If the Court does not use an alternative conversion for a nonviolent offense with a sentence range of one year or less, the reason why must be stated on the Judgment and Sentence form (RCW 9.94A.680).*

The 1999 Legislature modified the requirements for offenders convicted of **non-violent or non-sex** offenses with a sentence of one year or less. Where a court finds that a chemical dependency contributed to the crime, the Court may authorize the county jail to convert jail confinement to an available county-supervised community option. The Court may require the offender to perform affirmative conditions, such as rehabilitative treatment, which are reasonably related to the circumstances of the crime and are reasonably necessary or beneficial to the offender and to the community.

For all offenders with sentences of one year or less, one day of total confinement may be converted to one day of partial confinement. Non-violent offenders with sentences of one year or less are also eligible for conversion of total confinement to community service (one day of confinement equals eight hours of service). This community service conversion, however, is limited to 30 days or 240 hours. If a community service conversion is ordered, and the determinate sentence is greater than 30 days, the balance of the term is to be served in total or partial confinement.

Partial confinement sentences may allow the offender to serve the sentence in work release, home detention, work crew or a combination of work crew and home detention. If the offender violates the rules of the work release facility, work crew or home detention program, or fails to remain employed or enrolled in school, the facility director may transfer the offender to the county detention facility. The offender may then request an administrative hearing. Pending the hearing, or in the absence of a request for such a hearing, the offender shall serve the remainder of the term of confinement in total confinement (RCW 9.94A.731).

WORK CREW

Work crew is a partial confinement option created by the 1991 Legislature. Offenders who qualify must have committed the offense on or after July 28, 1991. The offense may not be a sex offense. For offenses committed before July 25, 1993, the offender must be sentenced to a facility operated or utilized under contract by a county (*i.e.*, the sentence must be one year or less in length); this restriction does not apply to offenses committed after that date. If the sentence is 9 months or more, at least 30 days of total confinement must be served before the offender becomes eligible for work crew. Work crew may be simultaneously imposed with electronic home detention. Work crew hours served may include work on civic improvement tasks, substance abuse counseling, job skills training or a maximum of 24 hours per week at approved, verified work.

To be eligible to receive credit for approved, verified work, offenders must first successfully complete 4 weeks of work crew, each week comprised of 35 hours of service. Work crew projects specified by the work crew supervisor must be completed in coordination with approved, verified work. Unless exempted by the Court, offenders using approved, verified employment as part of their work crew hours must pay a monthly supervision assessment. RCW 9.94A.725.

HOME DETENTION

Home detention is a partial confinement option in which an offender is confined to a private residence and subject to electronic surveillance. The option was created by the 1988 Legislature and is available for offenders convicted of nonviolent or non-sex offenses committed on or after June 9, 1988. Because partial confinement programs are limited to sentences of one year or less, home detention is not an option for offenders with prison sentences.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

Eligibility for home detention is generally conditioned upon (a) employment or school attendance, (b) program rules adherence, and (c) compliance with court-ordered legal financial obligations (RCW 9.94A.731(3)).

Convictions for any of the following offenses make the offender **ineligible** for home detention unless imposed as partial confinement in the parenting program under RCW 9.94A.6551:

- A violent offense
- Any sex offense
- A drug offense
- Reckless Burning in the First or Second Degree
- Assault in the Third Degree
- Assault of a Child in the Third Degree
- Unlawful Imprisonment or Harassment.

Home detention may be imposed for offenders convicted of Possession of a Controlled Substance (RCW 69.50.4013) or of Forged Prescription for a Controlled Substance (RCW 69.50.403), providing the offender fulfills the participation conditions set forth in this section and is monitored for drug use.

Offenders convicted of Burglary in the Second Degree or Residential Burglary must meet the following eligibility conditions for home detention: (a) successful completion of a twenty-one day work release program; (b) no convictions for Burglary in the Second Degree or Residential Burglary during the preceding two years and not more than two prior convictions for Burglary or Residential Burglary; (c) no convictions for a violent felony offense during the preceding two years and not more than two prior convictions for a violent felony offense; (d) no prior charges of escape; and (e) fulfillment of the other conditions of the home detention program.

Offenders convicted of Theft of a Motor Vehicle Without Permission in the Second Degree, Theft of a Motor Vehicle, or Possession of a Stolen Motor Vehicle must meet the following eligibility conditions for home detention: (a) no convictions for any of these crimes during the preceding five years and not more than two prior convictions for any of these offenses; (b) no prior convictions of a violent felony offense during the preceding two years and not more than two prior convictions for a violent felony offense; (c) no prior charges of escape; and (d) fulfillment of the other conditions of the home detention program.

Home detention may also be ordered for an offender whose medical or health-related conditions, concerns or treatment would be better addressed under the home detention program, or where the health and welfare of the offender, other inmates or staff would be jeopardized by the offender's incarceration. Participation in the home detention program for medical or health-related reasons is conditioned on the offender abiding by the rules of the home detention program and complying with court-ordered legal financial obligations.

RESTITUTION

Restitution is generally governed by RCW 9.94A.750 and 9.94A.753. But it is RCW 9.94A.505(7) that requires a court to order restitution whenever a felony results in injury to a person or damage or property loss. If restitution is not ordered, the Court must indicate the extraordinary reasons on the record.

Restitution may also be ordered to pay for an injury, loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that he or she pay restitution for any offenses not prosecuted pursuant to a plea agreement.

Restitution is based on three factors:

- Easily ascertainable damages for injury to or loss of property;
- Actual expenses incurred in treatment for injury to persons; and
- Lost wages resulting from injury.

Restitution for the crimes of Rape of a Child in the First, Second or Third Degree, in which the victim becomes pregnant, must include:

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

- Victim's medical expenses associated with the rape and resulting pregnancy; and
- Support for any child born as a result of the rape, if child support is ordered.

Restitution shall *not* include reimbursement for damages for mental anguish, pain and suffering and other intangible losses, but may include reimbursement for counseling reasonably related to the offense. The amount of restitution may not exceed double the amount of the offender's gain or the victim's loss from the commission of the crime.

Restitution is to be determined at the sentencing hearing or within 180 days. As part of the sentence, the Court must set the terms and conditions under which the defendant makes restitution. It is required that the Court be specific about the payment schedule for restitution, so that these sentence conditions may be appropriately monitored by the community corrections officer. The Court may not reduce the total amount of restitution ordered because of the offender's lack of ability to pay the total amount.

For offenses committed prior to July 1, 2000, an offender's compliance with the restitution requirement may be supervised for ten years after the date of sentence or release from confinement. The restitution portion of a sentence may be modified as to amount, terms and conditions during this period regardless of the community supervision term and the statutory maximum of the crime. A court may extend the restitution requirement for a second ten-year period.

For offenses committed on or after July 1, 2000, RCW 9.94A.760(4) reads: *"For an offense committed on or after July 1, 2000, the Court shall retain jurisdiction over the offender, for purposes of the offender's compliance with payment of the legal financial obligations, until the obligation is completely satisfied, regardless of the statutory maximum for the crime. The department may only supervise the offender's compliance with payment of the legal financial obligations during any period in which the department is authorized to supervise the offender in the community under RCW 9.4A.728, 9.94A.501, or in which the offender is confined in a state correctional institution or a correctional facility pursuant to a transfer agreement with the department, and the department shall supervise the offender's compliance during any such period. The department is not responsible for supervision of the offender during any subsequent period of time the offender remains under the Court's jurisdiction. The county clerk is authorized to collect unpaid legal financial obligations at any time the offender remains under the jurisdiction of the Court for purposes of his or her legal financial obligations."*

Restitution for victims is the first priority for payment by an offender.

Restitution in Cases Involving Fraud or Deceptive Practice

If an offender or organization is found guilty of an offense involving fraud or other deceptive practice, a court may require that notice be given to the class of persons or sector of the public affected by the conviction or financially interested in the subject matter of the offense. The notice may be accomplished by mail, by advertising through designated media, or by other appropriate means (RCW 9.94A.753(8), RCW 9.94A.750(7)).

FINES

The Court may impose fines as part of all sentences for felony offenses according to the following ranges (RCW 9.94A.550):

Class A felonies	\$0 - \$50,000
Class B felonies	\$0 - \$20,000
Class C felonies	\$0 - \$10,000

Unless the Court finds the offender to be indigent, every person convicted of certain VUCSA violations (RCW 69.50.401 through 69.50.4013, 69.50.4015, 69.50.402, 69.50.403, 69.50.406, 69.50.407, 69.50.410, 69.50.415) shall be fined \$1,000 in addition to any other fine or penalty imposed. The fine increases to \$2,000 if the violation is a second or subsequent violation of one of the laws specified. RCW 69.50.403.

When a fine is imposed for Manufacture, Delivery or Possession with Intent to Manufacture or Deliver Methamphetamine, or for Possession of Ephedrine or Pseudo Ephedrine with Intent to Manufacture Methamphetamine, the first \$3,000 may

not be suspended and must be provided to the law enforcement entity responsible for cleaning up the methamphetamine lab site. RCW 69.50.401.

Other Legal Financial Obligations

The Sentencing Reform Act allows a court to impose several additional monetary obligations. These include:

- Court costs. (RCW 9.94A.030(30));
- Defense attorney's fees and defense costs. (RCW 9.94A.030(30));
- Contributions to a county or local drug fund. (RCW 9.94A.030(30));
- Crime victims' compensation assessment. (RCW 9.94A.030(30) and (RCW 7.68.035));
- Recoupments to the victim for the cost of counseling as a result of the offender's crime, in cases where the Special Sex Offender Sentencing Alternative is exercised. (RCW 9.94A.670(6)g);
- Payment for the cost of incarceration, at the rate of \$50 per day. (RCW 9.94A.760(2)); and/or
- Payment of up to \$2,500 in costs incurred by public agencies in an emergency response to the incident that resulted in conviction for Vehicular Assault or Vehicular Homicide While Under the Influence of Intoxicating Liquor or Any Drug. (RCW 9.94A.030(30) and (RCW 38.52.430)).

All other legal financial obligations for an offense committed prior to July 1, 2000, may be enforced at any time during the ten-year period following the offender's release from total confinement or within ten years of entry of the judgment and sentence, whichever period ends later. Prior to the expiration of the initial ten-year period, the superior court may extend the criminal judgment an additional ten years for payment of legal financial obligations including crime victims' assessments. All other legal financial obligations for an offense committed on or after July 1, 2000, may be enforced at any time the offender remains under the Court's jurisdiction. For an offense committed on or after July 1, 2000, the Court shall retain jurisdiction over the offender, for purposes of the offender's compliance with payment of the legal financial obligations, until the obligation is completely satisfied, regardless of the statutory maximum for the crime.

The department may only supervise the offender's compliance with payment of the legal financial obligations during any period in which the department is authorized to supervise the offender in the community under RCW [9.94A.728](#), [9.94A.501](#), or in which the offender is confined in a state correctional institution or a correctional facility pursuant to a transfer agreement with the department, and the department shall supervise the offender's compliance during any such period. The department is not responsible for supervision of the offender during any subsequent period of time the offender remains under the court's jurisdiction. The county clerk is authorized to collect unpaid legal financial obligations at any time the offender remains under the jurisdiction of the court for purposes of his or her legal financial obligations.

In order to assist the Court in setting the monthly payment sum, the offender must truthfully report to the DOC regarding earnings, property and assets, and must supply requested documentation.

The DOC may recommend to the Court modifications in the payment schedule if the offender's financial circumstances change during the period of supervision. In cases where the DOC sets the monthly assessment amount, the DOC may modify the monthly assessment without consulting the Court.

Independent of the department or the county clerk, the party or entity to whom the legal financial obligation is owed shall have the authority to use any other remedies available to the party or entity to collect the legal financial obligation. These remedies include enforcement in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed.

Contact With Individuals

A Court may prohibit an offender from contacting with specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the community supervision or community placement term. The order prohibiting contact must relate directly to the circumstances of the crime of conviction.

Offender Eligibility

- No prior conviction of a felony in this state, federal court, or another state; and
- Never participated in a program of deferred prosecution for a felony.

Certain felony offenses are *not* eligible for a FTOW sentence.

- Any offense classified as violent or sex under this chapter;
- Manufacture, delivery, or possession with intent to manufacture or deliver a controlled substance classified in Schedule I or II that is a narcotic drug or flunitrazepam classified in Schedule IV;
- Manufacture, delivery, or possession with intent to deliver a methamphetamine, its salts, isomers, and salts of its isomers as defined in RCW 69.50.206(d)(2);

Sentencing

- The court may waive the imposition of a sentence within the standard sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses.

Community Custody

In 2011, the legislature reduced the duration of community custody for FTOW sentences.

- Up to 6 months of community custody;
- Up to 12 months of community custody if treatment is ordered.

For further information on community custody conditions of an FTOW, see RCW 9.94A.703.

Parenting Sentencing Alternative (RCW 9.94A.655)

Offender Eligibility

- The high end of the standard sentence range for the current offense is greater than one year;
- No prior or current conviction for a felony that is a sex offense or a violent offense;
- Not subject to a deportation detainer order and does not become subject to a deportation order during the period of the sentence;

- The offender has physical custody of his or her minor child or is a legal guardian or custodian with physical custody of a child under the age of eighteen at the time of the current offense.

In making its determination, the court may order the department to complete either a risk assessment report or a chemical dependency screening report as provided in RCW 9.94A.500, or both reports prior to sentencing.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.

Open or prior child welfare cases:

- If the offender has an open child welfare case, the children's administration or the tribal child welfare agency shall provide a report within seven business days. See RCW 9.94A.655(3)(a) for minimum requirements of the report.

The department and its officers, agents, and employees are not liable for the acts of offenders participating in the parenting program unless the department or its officers, agents, and employees acted with willful and wanton disregard.

SECTION 7

FELONY SCORING FORMS

General scoring forms are provided at the beginning of this section and are followed by the individual offense scoring forms. The General scoring forms include scoring sheets intended to assist in the calculation of offender scores and sentence ranges for offenses imposed with a deadly weapon enhancement, a sexual motivation finding or a domestic violence finding.

The individual offense scoring forms are arranged alphabetically and include forms for controlled substances, imitation controlled substances and legend drug crimes. Please note that the scoring forms do not present sentencing options eligibility (e.g. work release, work ethic camp). Please refer to Sentencing Alternatives in Section 6 of this manual for clarification of eligibility rules or conditions for each sentencing option.

In past manuals, if a sentence range extended past the statutory maximum of the offense, the sentence range was truncated and displayed an asterisk that referenced what the statutory maximum was. In this manual, the sentence range will still be truncated where available and display an asterisk. The corresponding asterisk will be next to the classification at the top of the page, i.e. Class C*.

The Caseload Forecast Council is not liable for errors or omissions in the manual, for sentences that may be inappropriately calculated as a result of a practitioner's or court's reliance on the manual, or for any other written or verbal information related to adult or juvenile sentencing. The scoring sheets are intended to provide assistance in most cases but do not cover all permutations of the scoring rules. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.
